Subject: Criminal Investigation of those Responsible for the Severe Injury to the Sanchez Brothers
Reference 1 : Conspiratorial Closure of NHTSA EA12-005: Jeep Fuel System Crashworthiness Defect
Reference 2: Your Letter to me of 14 May 2015

Dear Madam Attorney General Harris:

I am in receipt of Reference 2, which is incompetent, insulting, confused and confusing.

The best way to begin is for you to read your website. I have attached just one of scores of pages therein that make the same simple point: Your job is to investigate crimes, and the criminals that perpetrate them, against the citizens of the State of California. With that simple reality in mind, we quote your website:

“The Attorney General represents the People of California in civil and criminal matters before trial courts, appellate courts and the supreme courts of California and the United States.”

My letter to you of 29 April 2015 very specifically explains that the ‘People of California’ have been victimized by crimes. I identified the ‘People of California’ involved: the brothers Magdaleno and Raymundo Sanchez were victims of crimes in Los Angeles, California.

At no time do I ask for your assistance with crimes committed in Dearborn, Michigan (!?). Reference 2 spews ***“seek assistance from your local authorities.”*** The Sanchez brothers were not victims of crimes in Dearborn, Michigan. My letter to you of 29 April states:

“Please note that the first page lists the Chavez Law Group, the California law firm representing the Sanchez brothers, Magdaleno and Raymundo. Please note Page 1 depicts the Sanchez Jeep burning on the 110 Freeway in Los Angeles on the evening of April 3, 2014.”

The Chavez Law Group is pursuing the civil matter (in California) in behalf of the Sanchez brothers.

I requested that you pursue the criminal matter in their behalf in the context of your job as Attorney General of CALIFORNIA. I am returning the materials previously sent, as well as the webpage quoted above.

Please do not hesitate to contact me at any time,

Respectfully,

Paul V. Sheridan

Dear Mr. Sheridan:

Thank you for your correspondence dated April 29, 2015. In your letter, you requested that the Attorney General's Office investigate and potentially prosecute certain criminal allegations. With very few exceptions, the Criminal Division of the Attorney General's Office litigates appellate matters, not trial matters. It falls to local law enforcement, the grand jury, and the county district attorney to investigate and potentially prosecute crimes that occur in their county. Your documentation is thus being returned to you so that you may seek assistance from your local entities.

Thank you again for writing.

Sincerely,

Casey Hallinan

ABOUT THE OFFICE OF THE ATTORNEY GENERAL

The Attorney General represents the People of California in civil and criminal matters before trial courts, appellate courts and the supreme courts of California and the United States. The Attorney General also serves as legal counsel to state officers and, with few exceptions, to state agencies, boards and commissions. Exceptions to the centralized legal work done on behalf of the state are listed in Section 11041 of the Government Code.

The Attorney General also assists district attorneys, local law enforcement, and federal and international criminal justice agencies in the administration of justice. To support California's law enforcement community, the Attorney General coordinates statewide narcotics enforcement efforts, participates in criminal investigations and provides forensic science services, identification and information services and telecommunication support.

In addition, the Attorney General establishes and operates projects and programs to protect Californians from fraudulent, unfair, and illegal activities that victimize consumers or threaten public safety. The Attorney General also enforces laws that safeguard the environment and natural resources.

Under the state Constitution, the Attorney General is elected to a four-year term in the same statewide election as the Governor, Lieutenant Governor, Controller, Secretary of State, Treasurer, Superintendent of Public Instruction and Insurance Commissioner. In 1990, voters imposed a two-term limit on these statewide offices.

Mission Statement

It is our duty to serve our state and work honorably every day to fulfill California's promise. The Attorney General and our Department's employees provide leadership, information and education in partnership with state and local governments and the people of California to:

- Enforce and apply all our laws fairly and impartially.
- Ensure justice, safety, and liberty for everyone.
- Encourage economic prosperity, equal opportunity and tolerance.
- Safeguard California's human, natural, and financial resources for this and future generations.

Subject: Criminal Investigation of those Responsible for the Severe Injury to the Sanchez Brothers

Reference: Conspiratorial Closure of NHTSA EA12-005: Jeep Fuel System Crashworthiness Defect

Dear Madam Attorney General Harris:

Attachment 1 is the jury verdict form from the fire-death trial of a 4-year-old boy, Remington Walden. Signed on April 2, 2015, the jury had unanimously assigned the following "percentage of fault for each defendant" :

Driver of the vehicle that collided with the Jeep wherein Remington was a rear-seat passenger: **1%**
Fiat-Chrysler Automotive (FCA), the group that designed/profited from sale of defective Jeeps: **99%**

Attachment 2 is a press release relating to the Walden verdict; please note it discusses the "Baker memo."

Attachment 3 was sent to Center for Auto Safety (CAS) Director Clarence Ditlow on February 12, 2015. Note that Attachment 3 called for a criminal investigation regarding these matters three months prior to the "percentage of fault for each defendant" jury determination in Walden v FCA.

Attachment 4 was sent to CAS on August 20, 2014. Note that I had called for a criminal investigation of these matters eight months prior to the "percentage of fault" jury determination in Walden. Please note that the first page lists the Chavez Law Group, the California law firm representing the Sanchez brothers, Magdaleno and Raymundo. Please note Page 1 depicts the Sanchez Jeep burning on the 110 Freeway in Los Angeles on the evening of April 3, 2014.

Michigan Attorney General Bill Schuette received Attachment 5 on April 24, 2015. The severe injury to the Sanchez Brothers is detailed on Page 3. **My suggestion is, as a primer for the Subject, please review Attachment 5 (and its many hyperlinked references), especially Pages 13 and 14.**

Paraphrasing Attachment 5 page 29: I am confident that when a grand jury is convened in California for the purposes of a criminal investigation of the severe injury to the Sanchez Brothers, the members will assess that FCA and NHTSA/DOT acted in a manner that made it:

" . . . not improbable that injury will be occasioned, and the offender knows, or is charged with the knowledge of, the probable result of his acts."

Please do not hesitate to contact me at any time,

Respectfully,

Paul V. Sheridan
