Subject 1 : Your Governor Grades Relative to “COVID-19 Pandemic”
Subject 2 : Grades of Other Officials Relative to “COVID-19 Pandemic”
Reference : Letter to Anthony Fauci of 12 April 2021 –
Connections of Dr. Anthony Fauci to the Nursing Home Deaths

Dear Governor Noem / Dear Governor DeSantis:

Displayed next are the grades you have been assigned, after much discussion and debate:

At this time, neither of you have earned a grade of “A+” for the following preliminary reasons:

- A. Both have been touting the notion that the current injection, being administered to hundreds-of-millions of citizens worldwide, meets the definition of the word ‘vaccine.’
- B. Both have been touting the notion that this mRNA gene modification contraption, **that is itself immune from product liability litigation**; a contraption that is heavily promoted by vested interests such as “America’s Doctor,” the Bill & Melinda Gates Foundation, the World Health Organization, Big Pharma, other governors, someone named ‘Joe Biden,’ Ivy League presidents, Ivy League Law School deans, etc., **is effective and safe, despite implicit, blatant and mounting evidence to the contrary.**

- C. One or both, to a greater or lesser degree, has reneged on their sworn duty to defend and uphold the United States Constitution, especially with regard to “lockdowns” and individual liberty.
- D. One or both, to a greater or lesser degree, has singled out the Communist Party of China (CCP), albeit deservingly so, but at the expense of a focus on the culpability and criminality of many many others who have **also** caused untold/ongoing suffering of innocent and ordinary people.

Rest assured you are receiving the two highest grades; all other governors and most officials have received a **grade of ‘F’ or lower**. The following two examples come to mind:

Pictures at left, is a person that attends ‘Equity Conferences’ where she claims to be deeply concerned with woman’s rights . . . Pictured at right is an individual that was elected on the basis of similar overtures but has been accused of abuses of many kinds, including the sexual.

But both are devoid of genuine character regarding human rights; proven and exposed by their **joint** expressions and **proposed actions** regarding “COVID-19.” You will never hear either of these two self-proclaimed bastions of human dignity mention their “contribution” to the fate of this lovely lady:

Likewise, you will never hear those two bastions (current Cornell University President Martha Pollack or New York Governor Andrew Cuomo) . . . or the vested interests mentioned in Item B above . . . review with alacrity inputs to the “COVID-19 pandemic” by dedicated scientists, **most especially with respect to woman’s rights versus female sterilizations implicit to the mRNA gene modifications:**

Dr. Wolfgang Wodarg, at right is Dr. Michael Yeadon; the latter presented under Tab 8 of the Reference.

It should not surprise you that ‘social media’ sewers such as Wikipedia refer to these concerned scientists as “conspiracy theorists.” For attitudinal comparison, Wikipedia founder, the hedonist Mr. Jimmy Wales, whose orientation and commitment to women’s rights is aptly depicted here:

It should not surprise you that **the post-mRNA modification injection death of Ms. Midwin Charles**, (at-bottom of Page 2 above), is not specified by Wales and his Wikipedia.

Conclusion

[The Reference is enclosed](#); an exact duplicate of what has been received by the Ivy League Law School deans. The only addition, contained in the front inner sleeve, are [the SPODs proving their receipt](#).

Please take the time to review this material. Please do not hesitate to contact me at any time.

Respectfully yours,

Paul V. Sheridan
