Honorable Mr. Ken Paxton Attorney General of Texas 300 West 15th Street Austin, TX 78701 512-463-2100 <i>UPS 1Z1723W70296116229</i>	Congresswoman Marjorie Taylor Greene 25 Independence Avenue SE 403 Cannon Building Washington, DC 20515 202-225-5211 <i>UPS 1Z1723W70213465310</i>	Governor Kim Reynolds Chairwoman of the RGA 1007 East Grand Avenue Des Moines, IA 50319 515-281-5211 <i>USPS</i>

Subject : Civil Investigative Demand - Gain-of-Function Research (GoF) and Misrepresentations by COVID-19 Vaccine Manufacturers

- Enclosure 1 : Letter to Twelve Attorneys General of 6 March 2023; Highlighting Mr. Keith Ellison, Minnesota Attorney General “representing” Mrs. Jummai Nache (red binder)
- Enclosure 2 : **Resignation Demand** Letter of 21 April 2023 to Twenty Ivy League University Administrators (plus associated SPODs)
- Enclosure 3 : Book by Mr. Edward Dowd, Formerly of Blackrock Incorporated : **“Cause Unknown” : The Epidemic of Sudden Deaths in 2021 and 2022**
- Reference 1 : Secret Meeting of 9 February 2023 Between **Pfizer CEO Mr. Albert Bourla** and Governor Kim Reynolds, Chairwoman of the Republican Governors Association

Dear Mr. Paxton:

Thank you so much for your efforts, and that of your staff, in regard to the Subject. To put those efforts in-perspective, proceed to Tab 1 of Enclosure 1; **please brace yourself**. I also offered that photographic historical rendering as Attachment 2 to Enclosure 2. **Question: Willful misconduct?!**

One purpose of this communication is a request: Please include in the Subject the issue of willful misconduct. Specifically, please ensure that your TDTPA related efforts obviate any further enshrinement of LIABILITY IMMUNITY. In *many* prior letters, including those sent to Mr. Donald Trump and Governor Ron DeSantis, I have posed the following (screenshot) :

Pre-planned Underbelly of COVID-19 Criminal Enterprise is *Liability Immunity*

I have asked *many* times :

Does anyone actually believe that Mr. Albert Bourla would have sold his mRNA needles into a market wherein he and Pfizer were *not* protected by liability immunity?!

My position on the criminality of LIABILITY IMMUNITY is a matter of long-standing public record:

Secret Meeting of 9 February 2023 Between Pfizer CEO Mr. Albert Bourla and Governor Kim Reynolds, Chairwoman of the Republican Governors Association

That Governor Reynolds was not physically present at this meeting (in Washington DC) is not germane. What is relevant is that she is the Chairwoman of the Republican Governors Association (RGA), and her endorsement / oversight is implied. I have written to her twice. I have left two voicemails on her line (515-281-5211), and three on the line of Iowa Attorney General Brenna Bird (515-281-5164). I have spoken *directly* to a "Michael" at the RGA four times . . . zero response. **On overleaf you will find a screenshot of my letter to Florida Attorney General Ashley Moody which describes the above:**

24 February 2023

Ms. Ashley Moody, Attorney General / Mr. Ryan D. Newman, General Counsel
Page 3 of 9Background Discussion *continued*

As of this letter I have had **FOUR** person-to-person telephone calls into the following contact:

Republican Governors Association
1747 Pennsylvania Avenue NW
Suite 250
Washington, DC 20006
202-662-4140

On all calls I have politely requested the following **basic** information:

1. Who called the "private event" meeting of 9 February 2023; was it at the request of Pfizer? The Republican Governors Association (RGA), or both? *
2. What was the invitation mechanism? Email? Telephone? Other written invitations?
3. What was the original agenda, and/or were additional items discussed as the meeting proceeded?
4. Who from Pfizer, in addition to those depicted on Page 2 above were in-attendance? Who in representation of the RGA were in-attendance, and which if-any Republican governors were also in-attendance?
5. Were meeting minutes produced that documented the above? If yes, why has such not been shared with the taxpayer? The public at-large?
6. What documents were shared between Pfizer and the RGA?
7. Are there any follow-up Pfizer/RGA meetings scheduled? If yes, when and where; and in what format? In person, by teleconference?

As of this letter **the RGA refuses to answer** any of these questions; all likely germane to the instant Subject.

CONCLUSION

Once again, thank you for the Subject. However, as you may have gleaned, the COVID-19 criminal syndicate is non-partisan. In these regards, I relay the following **with permission**: Mrs. Jummai Nache is willing and available to testify *in-person* if the Subject would benefit from such.

Please feel free to contact me at any time.

Respectfully yours,

Paul V. Sheridan
