Subject : The Suicide Death of 16-Year-Old Spencer Smith Due to State of Maine “COVID-19 Pandemic” School Closures

From Page 7 of 17 :

Discussion : The “*pathological liar*” Mr. Anthony Fauci

“Once people feel empowered and protected legally (by liability immunity), you will gonna have schools, universities, and colleges are gonna say, ‘You wanna come to this college buddy? You’re gonna get vaccinated. Lady, you’re gonna get vaccinated.’

Big corporations like Amazon, and Facebook, and and and all of those others are gonna say, ‘You wanna work for us, you get vaccinated.’

And it’s been proven that when you make it difficult for people, in their lives, they lose their IDEOLOGICAL BULLSHIT, and they get vaccinated!”

With this October 2020 quote in view, the following cannot be over-emphasized :

Had the Trump re-opening been allowed, the Subject suicide would have been prevented.

Two months after that Fauci quote, Ms. Mills is “*empowered and protected legally,*” and she is enforcing the ongoing closure of K-thru-12 schools in Maine. As instigated by her and Fauci, 16-year-old Spencer Smith has lost his “*ideological bullshit*” . . . and has committed suicide:

The image shows a screenshot of a funeral home website. At the top right, the logo for "BRACKETT FUNERAL HOME" is visible, with the tagline "A Ladner Family Service" below it. A navigation menu in a dark green bar contains the links "OBITUARIES", "SERVICES", "PREPLAN", and "RESOURCES". The main content area features a background image of a football player in a dark jersey with the number 88. On the left, there is a smaller inset photo of the same player. To the right of the player, the text reads: "Official Obituary of **Spencer William Smith** September 11, 2004 - December 4, 2020". At the bottom right, there are two buttons: "Obituary & Events" and "Tribute Wall".

Dear Madam First Lady :

I was motivated by your words and deeds in behalf of children; to forward a courtesy copy of Reference 1 (Tab 1). On Page 21 of that letter I formally accused Mr. Anthony Fauci and **Reference 2 attendee** Maine Governor Ms. Janet Mills, as follows :

“On the basis of the above discussions, and upon the declaration made by Dr. Robert Redfield, I hereby accuse you of Gross Criminal Negligence, which is directly connectable to the suicide death of 16-year-old Spencer William Smith. I hereby extend that same charge and add the charge of ‘Child Abuse’ to Governor Janet Mills of Maine.”¹

Discussion : The “pathological liar” Mr. Anthony Fauci

As thee enemy of the Father, there are several offenses that Satan cherishes. But none are more insufferable to the Father than suicide . . . when a human soul, through the exercise of His divine gift of free will, decides to end their life. And no offense is more agonizing to the Heavenly Father then when the sin of suicide involves our children.

Question : When child suicide is instigated by those who are the legal or custodial guardians, who had veiled their terrorism behind the rhetoric of an alleged pandemic: What needs to be the legal fate of the Satanic wretches that are directly guilty of that instigation?

The repulsive antics of Governor Mills during Reference 2, endured by the President, compels *re*-presentation of Reference 1.²

¹ Please see Dr. Robert Redfield quote of 19 November 2020 in **Conclusion**, Page 15 below

² I telephoned the governor’s office of Maine in early January 2021 (207- 287- 3531); staff confirmed USPS receipt (please see address entry in left column, Page 22, Tab 1). No response. Please see Pages 9-15 below.

Discussion : The “*pathological liar*” Mr. Anthony Fauci *con’t*

Regarding the addressee of Reference 1 . . . that Mr. Fauci is a “*pathological liar*” is no longer disputed.³ This is especially true with respect to his **COVID-19 lockdowns** and the horrific effect school closures had upon the physical and mental health of our K-thru-12 children.

Fauci Said He ‘Did Not Recall’ Specifics on Covid Origins, Pandemic Policies over 100 Times in Closed-Door Testimony

Discussion : The “pathological liar” Mr. Anthony Fauci con’t

The key behavioral characteristic of a terrorist is lying. ⁴ Long after receiving Reference 1, Mr. Fauci was interrogated by the US Congress regarding his role in the COVID-19 K-thru-12 school closures (which is directly connected to the Subject suicide). In January 2024, Mr. Fauci testified over 100 times, **“I don’t recall” ???**

On October 29 2019, Mr. Fauci was a summit panel speaker in New York City ‘The Future of Health.’ It was held at the Milken Institute which is a short walk to the global headquarters of Pfizer, Inc. At this event the panel re-announced the plan to launch a “pandemic” :

“ . . . an outbreak of a novel avian virus could occur in China somewhere.”

Seated stage left we find moderator, Mr. Michael Specter :

Immediately after the January 20 2017 inauguration of President Donald Trump, Mr. Specter authored a preemptive attack entitled: ***The Deep Denialism of Donald Trump : The impact of Donald Trump's denialist theories on climate change, vaccination, and science.***

⁴ For a detailed review of the long-history of terrorist activities conducted by Mr. Anthony Fauci, please read **“The Fauci/COVID-19 Dossier”** by Dr. David E. Martin.

Discussion : The *“pathological liar”* Mr. Anthony Fauci*Conclusion*

Mr. Specter is an enemy of President Trump. He is an ally of Mr. Fauci. The key operative of COVID-19 was the pre-planned lockdowns. Lockdowns served a range of agenda items, from 2020 election rigging to coercive threats; specifically the plan to inflict severe economic and social misery upon “vaccine deniers;” those that refused the modRNA mandates.⁵

Mere weeks before the 2020 election, Mr. Specter authored an audio book called *“Fauci.”* This attack was *also* focused against **President Trump** . . . who opposed vaccine mandates, and **was trying to reopen the country.** In that October 2020 audio book, Mr. Fauci proclaimed :

“Once people feel empowered and protected legally (by liability immunity), you will gonna have schools, universities, and colleges are gonna say, ‘You wanna come to this college buddy? You’re gonna get vaccinated. Lady, you’re gonna get vaccinated.’

Big corporations like Amazon, and Facebook, and and and all of those others are gonna say, ‘You wanna work for us, you get vaccinated.’

And it’s been proven that when you make it difficult for people, in their lives, they lose their IDEOLOGICAL BULLSHIT, and they get vaccinated!”

With this October 2020 quote in view, the following cannot be over-emphasized :

Had the Trump re-opening been allowed, the Subject suicide would have been prevented.

Two months after that Fauci quote, Ms. Mills is *“empowered and protected legally,”* and she is enforcing the ongoing closure of K-thru-12 schools in Maine. As instigated by her and Fauci, 16-year-old Spencer Smith has lost his *“ideological bullshit”* . . . and has committed suicide:

INTERMISSION - 1

Former governor of North Dakota, Mr. Douglas Burgum, and former governor of South Dakota, Ms. Kristi Noem, are now Cabinet members in the Trump Administration. Mr. Burgum is secretary of the Department of the Interior, and Ms. Noem is secretary of Homeland Security :

These former governors had **polar-opposite responses** to the Fauci demand that our children be in lockdown until injected with the COVID-19 modRNA “vaccine” from BigPharma :

One is compelled to ask: What would the fate of Spencer Smith have been had he resided under the leadership of Governor Noem, rather than Governor Mills? (Please see overleaf)

Discussion : The *Ongoing* Criminality of Maine Governor Ms. Janet Mills

At the White House Governors Working Session of February 21 2025, the President reviewed his Executive Order, *KEEPING MEN OUT OF WOMEN'S SPORTS* (February 5 2025).

Maine Governor Ms. Janet Mills was asked directly, and politely, if she intended to comply with that executive order. With predictable inaccuracy Ms. Mills snidely blurted :

“I’m complying with state and federal laws.”

Is her outburst even remotely true? Is she duplicitous?

When the President asserted the obvious, that federal law *is* established by Executive Order, and that non-compliance would jeopardize **federal funding**, Ms. Mills threatened the President :

“See you in court!”

Does Ms. Mills have a history of complying with federal law? Or is her compliance restricted to issues that suit the agendas of her anti-Trump allies? Does she have experience with the relationship between compliance with federal law and federal funding?

Alternatively, did she offer complicity during the so-called COVID-19 pandemic, criminalizing the **“ideological bullshit”** of her Maine constituents; doing so in behalf of charlatans like Mr. Fauci. Did her COVID-19 school closures ensure . . . federal funding? ⁶

⁶ Please review Mr. Fauci’s **“ideological bullshit”** quote on Page 7 above.

Discussion : The *Ongoing* Criminality of Maine Governor Ms. Janet Mills *con't*

Throughout 2020, data was widely available confirming an increase in youth suicides, which was scientifically connectable to school closures. On March 15 2020 Ms. Mills declared a COVID-19 'state of emergency' . . . specifically because it **“allows the state to access federal funding and allows for suspension of certain laws.”**⁷ Contrary to her duplicative outbursts at the White House, when she supports an agenda she has no problem submitting to the conditional relationship between compliance with federal law and federal funding.

That the **increase** in youth suicide was connectable to school closings is undeniable. But that did not stop the propagandists at the New York Times from spewing the exact opposite :

The byline, **“Firmly linking teen suicides to school closings is difficult”**!? That NYT article was published on January 24 2021. But in December 2020 it was **already** widely-disseminated that the December 4 suicide note of 16-Year-old Spencer Smith specifically pointed to the Maine lockdowns as the basis of his decision. Difficult ?!

In mid 2020, Dr. Robert Redfield of the CDC had already connected school closings to an increase in child suicides; that (K-thru-12) closures posed a **“substantial public health negative consequence.”** Regardless of that quote, six months later the New York Times was still lying, babbling that the school closure / suicide connection was “difficult.”^{8 9}

⁷ For Mills, Fauci and Pfizer the latter reads “United States Constitution” and the “Civil Rights Act.”

⁸ Please see sworn Dr. Redfield testimony of November 19 2020, Page 15 below : **“The truth is, for kids K through 12, one of the safest places they can be from our perspective is to remain in school.”**

⁹ It did not matter to the NY Times that the *Great Barrington Declaration*, co-authored months earlier by “fringe epidemiologist” Professor Jay Bhattacharya, had over 300,000 signatures, and forcefully declared: **“Those (children) who are not vulnerable should immediately be allowed to resume life as normal.”**

Discussion : The *Ongoing* Criminality of Maine Governor Ms. Janet Mills con't

Again, does Ms. Mills have prior direct experience with the conditional relationship between federal law and **federal funding**? She not only touts experience with the more strident federal laws, her history includes a groveling compliance with mere “health guidance” from globalists !

The COVID-19 Crime Syndicate had **schemed** “health guidance” compliance as conditional to federal funding. That scheme was central to the modRNA mandates. ¹⁰

In 2020/2021 Ms. Mills was *notoriously* enforcing the COVID-19 schemes. Indeed she had no reservations when ignoring the real world consequences of her school closures; such as prior documented prognostications that Maine youth would resultantly be at an increased risk of suicide. Given that federal funding was tied to those closures, the reality of increased suicide risk had no mitigating effect on her lockdown tyranny.

In stark contrast, unlike her self-righteous behavior at the White House, when her 2020/2021 compliance with “health guidance” was in blatant violation of the United States Constitution, she never stood up in defense of the citizens of Maine . . . and she certainly never blurted :

“See you in court!”

Please re-read red bolding, Page 7 above.

¹⁰ Please see Mr. Fauci “*ideological bullshit*” quote, Page 7 above.

Discussion : The *Ongoing* Criminality of Maine Governor Ms. Janet Mills *con't*

Again, at the Governors Working Session, Ms. Mills blurted her insult at President Trump :

“I’m complying with state and federal laws.” ¹¹

In December 2020, I presented to Governor Mills the relevant Maine state law : **The Child and Family Services and Child Protection Act** . . . a screenshot from my Reference 1, Page 18 :

Title 22, Subtitle 3, Part 3, Chapter 1071 is entitled: Child and Family Services and Child Protection Act. Subchapter 1, [Section 4002](#) provides definitions:

Paragraph 1 is entitled: Abuse or neglect.

Abuse or neglect means a threat to a child's health or welfare by physical, mental or emotional injury or impairment, sexual abuse or exploitation including under . . . deprivation of essential needs or lack of protection from these or failure to ensure compliance with school attendance requirements . . . by a person responsible for the child.

Paragraph 1C is entitled: Best interest of the child.

Paragraph 2 is entitled Child:

Child means any person who is less than 18 years of age.

Paragraph 5 is entitled: Custodian.

Custodian means the person who has legal custody and power over the person of a child.

Is Ms. Mills going to argue that her “*abuse or neglect*” is not connectable to the Subject?

Is Ms. Mills going to argue that her school closures did *not* constitute “*a threat to (Spencer’s) health or welfare by physical, mental or emotional injury or impairment . . . including . . . failure to ensure compliance with school attendance*”!?

Is Ms. Mills going to argue that her actions were “*in the best interest of (Spencer)*” ?

Is Ms. Mills going to argue that her actions as Governor of Maine she did *not* assert her “*legal custody and power over the person of a child (Spencer)*” ?

Similar to the war criminals on trial at the Nuremburg Tribunals, Ms. Mills will likely claim that she was merely following orders. (such as Mr. Fauci’s “health guidance”). ¹²

Please see final red bolding, Page 15 below.

¹¹ Ms. Mills is a liar. The only real compliance she enjoys is a shared degraded status with COVID-19 co-criminal Mr. Fauci. Please review Footnote 2, Page 2 above. Please see her séance mediumship on Page 14 below.

¹² Please re-read Footnote 7, Page 10 above. Please re-read Fauci “*health guidance*” at-bottom Page 2 above.

Discussion : The *Ongoing* Criminality of Maine Governor Ms. Janet Mills *con't*

Below, sample family photos of the child Spencer Smith prior to the never-ending school closures enforced by Maine Governor Janet Mills; closures he specifically mentioned in his suicide note of December 4 2020 :

Discussion : The *Ongoing* Criminality of Maine Governor Ms. Janet Mills *Conclusion*

In 2020, Governor Janet Mills functioned under State of Maine law, she was a “*Custodian who has legal custody and power over the person of a child.*” Such as the child shown at far right :

To the best of my knowledge, at no time did Governor Mills, or a member of her staff, take the time to contact the family or friends of 16-year-old Spencer Smith to offer condolences.

Although she had no time to protect the children of Maine, Ms. Mills *did* have time to sanctify Satanic sexual rituals, acting as a medium at a demon possessed LGBTQ+ séance:

CONCLUSION

As thee enemy of the Father, there are several offenses that Satan cherishes. But none are more insufferable to the Father than suicide . . . when a human soul, through the exercise of His divine gift of free will, decides to end their life. And no offense is more agonizing to the Heavenly Father then when the sin of suicide involves our children.

From Reference 1, my December 21 2020 letter to Mr. Anthony Fauci, Page 20 :

On 19 November, with the Director of NIAID (Fauci) present, Dr. Redfield declared at a White House press conference of the Coronavirus Task Force :

“The truth is, for kids K through 12, one of the safest places they can be from our perspective is to remain in school.”

I hereby **re-assert** my December 21 2020 accusation against Mr. Anthony Fauci **and** Governor Janet Mills of Maine; from Reference 1, Page 21 (screenshot) :

On the basis of the above discussions, and upon the declaration made by Dr. Robert Redfield, I hereby accuse you (and others) of Gross Criminal Negligence, which is directly connectable to the suicide death of 16-year-old Spencer William Smith. I hereby extend that same charge and add the charge of ‘Child Abuse’ to Governor Janet Mills of Maine.

Had the President Trump plan to re-open our schools not been subverted by Mr. Anthony Fauci and Maine Governor Janet Mills and others, the suicide of 16-year-old Spencer Smith would have been prevented.

Respectfully yours,

**Subject : I Hereby Accuse You of 'Gross Criminal Negligence'
Connectable to the Death of Mr. Spencer William Smith ***

Dear Dr. Fauci:

Are you familiar with Mr. Spencer William Smith, pictured at-right:

I hereby accuse you (and others) of Gross Criminal Negligence, which is directly connectable to the suicide death of 16-year-old Spencer. This charge is purposely narrow; I am confident that additional civil and criminal charges are evidentiary/supportable, in this and related matters, and will therefore be sustained in the near future.

* An e-version of this letter with hyperlinks: <http://pvsheridan.com/sheridan2fauci-2-21december2020.pdf>

We review the Gross Criminal Negligence (GCN) law:

“Gross negligence is culpable or criminal when accompanied by acts of commission or omission of a wanton or willful nature, showing a reckless or indifferent disregard of the rights of others, under circumstances reasonably calculated to produce injury, or which make it not improbable that injury will be occasioned, and the offender knows or is charged with knowledge of the probable result of his/her acts; ‘culpable’ meaning deserving of blame or censure.”

You are aware that I had discussed this issue, regarding your person, with the now-confirmed treasonous US Attorney General Mr. William P. Barr on 28 August 2020 (Attachment 1).

I also alerted you to the fact that others were already guilty of GCN on Page 24 of my 36-page letter of 21 July 2020. I discussed ten areas regarding the so-called “COVID-19 pandemic,” quoting your protestations of 10 July 2020 to the Financial Times of London (Attachment 2) :

“I have a reputation, as you probably have figured out, of speaking the truth at all times and not sugar-coating things. And that may be one of the reasons why I haven’t been on television very much lately.” †

Consistent with historical and ongoing behavior, **and contrary to your self-effacing crap about “speaking the truth at all times,”** you failed to offer the courtesy of a response:

Had you done so, the death of Spencer William Smith would have been avoided.

Your Two Most Prominent Lies - How These Led to the Death of Mr. Spencer William Smith

We are now beyond the ten items discussed in Attachment 2. In this communication, we now focus on your two most prominent lies / frauds:

1. Your lie that the only way the United States can attain “herd immunity” is through vaccination; attained at a market share of “75%” (your baseless statistical claim).
2. Your bold-faced lie that the PCR process can be modified through “amplification,” and *then* deployed world-wide as the “gold standard” (for detection of what has been labeled SARS-CoV-2) for determination of COVID-19 infection.

Both lies, and much more, are relevant to the charge of Gross Criminal Negligence. Specifically, I will show that your rampant demand for enforcement of “lockdowns,” which you justify in-part by these two lies, is directly connectable to the death of a 16-year-old high school child.

† It is evidentiary that you would allay, in a globally distributed financial publication, the concerns of vested-interests, Big Pharma, etc.

Discussion – Fauci Lie #1

1. Your lie that the only way the United States can attain “herd immunity” is through vaccination; attained at a market share of “75%” (your baseless statistical claim).

In Attachment 2, pages 4-8, I reviewed the anti-hydroxychloroquine “studies” and the corporate news propaganda; **but most notably your promotion of the Surgisphere report.**

You were fully aware that the Surgisphere report was an orchestrated fraud; so fraudulent that the global community of medical doctors (who uphold the Hippocratic Oath, offering *real* health & well-being) were so outraged that thousands protested that “study,” **thereby forcing its retraction. ‡**

That retraction, and the efficacy of [hydroxychloroquine](#), was also detailed on 23 August 2020 by Mark Levin and renowned Yale professor Dr. Harvey Risch. §

In the context of my (initial) charge against you, Gross Criminal Negligence, your proclamations that treatments using hydroxychloroquine are ineffective or dangerous, **is a lie.**

You are aware of [treatments](#), and patient success, from nebulized budesonide to ivermectin. The latter was testified-to by Dr. Pierre Kory at the Senate Committee on Homeland Security and Governmental Affairs on 8 December 2020. Dr. Kory relies on his professional experience, and over 30 peer-reviewed studies, **not your / that orchestrated Surgisphere crap.** **

Your claim that “herd immunity” against “COVID-19” can *only* be attained by vaccination, is a lie.

As Dr. Cory testified, the CDC/FDA never even tasked-for [repurposed medicines](#) such as [ivermectin](#); **why is that the case Dr. Fauci !?** ††

But let us review an example of immunity, established without the needles that you and your comrades profit from . . . **A globally auspicious example of immunity that you are fully aware of; attained through the use of nutrition and [treatments](#) . . .**

‡ I also requested that you offer the taxpayer **your** retraction, and an apology, regarding the Surgisphere “study,” but **characteristically** you have refused to “*tell the truth at all times.*”

Discussion – Fauci Lie #1 – conclusion

1. Your lie that the only way the United States can attain “herd immunity” is through vaccination; attained at a market share of “75%” (your baseless statistical claim).

In 24 November 2020, I explained to the vaccine-promoting Delta Airlines CEO Ed Bastian: ††

Conclusion – Part 2

In the attached letter to President Trump I discuss the good news and demonstrated intelligence of our First Lady. You will note that I had written to her on [23 July 2020](#), warning her of the ongoing dangers of vaccines, and the implications for the First Family.

You might take notice . . . she has ostensibly decided, as had the president, [to avoid the vaccines](#) that you claim in your **crap** email are what *“the world eagerly awaits.”*

So, Mr. Bastian, in lockstep with the portent of Conclusion – Part 2, are you saying that **YOUR** family is “eagerly awaiting” to be stuck with a needle promoted by the three criminals on Page 1 above?!

If you declare “No,” then one must assume not mere complicity, but an active role on your part. `A person in your position, with its implicit ties to various private closed-door boardrooms, such as Big Pharma? †

Intermission : The Pandemic Resume of Anthony Fauci

Before we discuss Lie #2, I am compelled to once-again quote **Dr. Kary Mullis, Nobel Prize winning inventor of the PCR process**. Interviewed by Dr. Gary Null, Dr. Mullis describes your pandemic resume:

“What is it about humanity that it wants to go to all the details . . . guys like **Fauci** get up there and start talking, he doesn’t know anything, really about anything, and I would say that to his face. Nothing! The man thinks you can take a blood sample, stick it in an electron microscope, and if it has got a virus in there you will know it. He does not understand electron microscopy. **He does not understand medicine. He should not be in the position he is in.**”

Most of those guys up there on the top are just total administrative people, and they do not know anything about what is going on at the bottom. Those guys have got an agenda, which is not what we would like them to have, being that we pay for them to care of our health. They have a personal kind of agenda, they make up their own rules as they go, they change them when they want to. **And they smugly; like Tony Fauci does not mind going on television, in front of the people that pay his salary (taxpayers), and lie directly into the camera.**

You cannot expect the sheep to really respect the best and the brightest. They do not know the difference. I like humans, do not get me wrong, but basically there is a vast majority of them that do not possess the ability to judge who is, and who is *not* really a good scientist. That is a main problem with science, the main problem with science in this century. Science is being judged by people, funding is being done by people (taxpayers) who do not understand it (science).

I mean . . . who do we trust? **Fauci? Fauci** does not know enough. **If Fauci wants to get on television with somebody that knows a little bit about this stuff and debate them? He could easily do it, because he has been asked!**

I mean I have had a lot of people; the president of the University of South Carolina has asked **Fauci** if he would come down there and debate me on the stage in front of the student body. Because I wanted somebody who was from the other side, to come down there and balance; because I felt like, well they could listen to me, but I need to have somebody else down here that was going to tell them about the other side. **Fauci . . . he did not want to do it.”**

Intermission : The Pandemic Resume of Anthony Fauci - Conclusion

That quote above from Dr. Mullis (pictured with the Dr. Peter Duesberg epic [Inventing the AIDS Virus](#)), provides a truer perspective on your television claim to the Financial Times of London:

“ I have a reputation, as you probably have figured out, of speaking the truth at all times and not sugar-coating things. And that may be one of the reasons why I haven't been on television very much lately.”

Relating to the late-1980's work of Dr. Duesberg, and your *ongoing* pandemic resume, I quoted renown Yale professor Dr. Harvey Risch on pages 7-8 of Attachment 1:

“Somehow we have let politics overrule science, and it is an absurd situation that people have compared to ‘1984’ and ‘The Ministry of Truth’ and so on; that is limiting what people can say on objective facts, it is beyond belief ! . . . I think ‘they’ know the (hydroxychloroquine) treatment works. I think that basically they are afraid to even let it be tried, because letting it be tried would show that it works. So the message has to be shut at all costs, because anything will leak out, and in fact it is leaking out, and you see across the country, people who started to speak up, who become almost deathly ill, and have been turned around in three days or sooner even, and these are now public figures who are speaking up, who have said that the medicine hydroxychloroquine saved their life. And it is very difficult to, you know, close all the leaks in that dike that are being suppressed by the media that are trying to do that.”

This has gone on before . . . now we have Dr. Fauci denying that any evidence exists of benefit, and that has pervaded the FDA. The FDA has relied on Dr. Fauci and his NIH advisory groups to make the statement saying that there is no benefit of using hydroxychloroquine in outpatients, and this is counter to the facts of the case. The (positive) evidence is overwhelming. The FDA has also said that there is harm in using these medications in outpatients (that) overweighs the benefits. Ninety per cent of the COVID cases have occurred since the FDA restricted (hydroxychloroquine usage) to inpatients-only. Dr. Fauci and the FDA are doing the same thing that was done in 1987, and that has led to the (COVID-19) deaths of hundreds of thousands of Americans that could have been saved by usage of this drug.”

This has gone on before !?!

Your previous guilt under ‘Gross Criminal Negligence’ is additionally supportable by the statement of Dr. Risch. He presented your lack of objective, scientific assessment of the life-saving benefits to AIDS patients of inexpensive anti-biotics, such as sulfamethoxazole and trimethoprim (Bactrim). An elaboration to that ‘gone on before’ question? Dr. Risch recounts that **your bias toward profitable expensive vaccines was directly connectable to the death of over 17,000 human beings, quote:**

“This was started most noticeably in 1987 . . . Seventeen-thousand people died because of Dr. Fauci’s insistence on not allowing even a statement supporting consideration of the use (of Bactrim).”

Not allowing a statement? In the 1980s? And **now** your lies of 27 May 2020 to *Politico* that there is no benefit to hydroxychloroquine!? A mere introduction to your Pandemic Resume. ***

*** See page 7 of Attachment 2. Has this gone on before? Regarding your vaccine failure for “HIV” . . . you spent millions of taxpayer dollars, while simultaneously denying/severely-delaying approval of AIDS treatments such as repurposed medicines. **30+ years later? This is the exact same profit-prioritized violation of the Hippocratic Oath that you are now dispensing for COVID-19! Dr. Mullis: “He should not be in the position he is in.”**

Discussion – Fauci Lie #2

2. Your bold-faced lie that the PCR process can be modified through “amplification,” and *then* deployed world-wide as the “gold standard” (for detection of what has been labeled SARS-CoV-2) for determination of COVID-19 infection.

On 21 July 2020, **predating the suicide death of Spencer William Smith by five months**, I requested your responses to questions regarding “COVID testing.” You ignored me.

In contrast, the good Governor of Florida Ron DeSantis did **not** ignore that very same letter **+++**

Memo: It is abundantly clear, **had the Smith family merely resided in Florida**, wherein “lockdowns” are reduced to non-existence, the schools are open, and the students enjoy normal social interactions; in that residence **the probability of the suicide death of a child, 16 year-old Spencer William Smith, drops to zero.**

That byline, that insane “comeback” drum-beat, from your comrades in the corporate media, is fueled by **Fauci Lie #2.**

The incessant media and politician **crap** about “cases” is fueled by ***not* following the science**; it is fueled by degrading science to charlatanism . . . by denigrating science to the point that the admonition “*follow the science*” is just **another** political ruse, a phrase worthy of only mindless WOKE diatribe . . . the byline is fueled by misrepresenting what science can and can *not* do. These misrepresentations that have no connection to the rigors of that honorable human activity.

But with respect to your PCR based “gold standard” . . . **If there is anyone that is *not* following the science, and encouraging others to *not* ‘follow the science,’ *it’s you!***

That Governor DeSantis **is** ‘following the science’ is borne by Attachment 3. His action will prove pivotal to ending your lockdowns which you justify by “cases;” a ruse that has devastated New York, Michigan, Pennsylvania, the Bolshevik-inspired disaster called “California” . . . the USA.

Most relevantly Governor DeSantis will ensure that “cases” based lockdowns, which led directly to **the nightmare** in Brunswick, Maine on December 4, 2020, **never happens in Florida** **+++**

As the non-science person easily understands by reviewing Attachment 3, the central theme of Governor DeSantis’ order is what I alerted you about . . . but long-before December 4, 2020:

Your implicit fraud of instituting/endorsing “amplification” of the PCR process;

a process that the Nobel Prize winner/inventor of PCR told you, DIRECTLY, could *not* be deployed for definitive or specific virus detection . . . your so-called “gold standard.”

2. Your bold-faced lie that the PCR process can be modified through “amplification,” and *then* deployed world-wide as the “gold standard” (for detection of what has been labeled SARS-CoV-2) for determination of COVID-19 infection.

As you are *fully aware*, the PCR process, and its misapplication to “COVID-19 testing,” deployed by Delta Airlines, Cornell University, the State of Maine, is **NOT quantitative, it is qualitative; with outputs utterly dependent on the Cycle Threshold Value (aka “amplification”) now demanded by the State of Florida.** In this context I take exception to the following headline:

Whilst you and your comrades celebrate the “Big Testing Regime” (despite [Quest Diagnostics](#)), having made and anticipating fortunes while that regime is enforced, the notion that “PCR testing of the healthy and asymptomatic is currently counter-productive” is irresolute . . .

The Big Testing Regime is not merely “currently,” or merely “counterproductive.” It has ALWAYS been counter-productive; now proven deadly, and not just to the Smith Family of Maine. Were it not for the fraud of “amplification,” central to your lies of PCR-based testing as the “gold standard,” the governor of Maine would not have had exaggerated “confirmed cases,” and therefore would be unable to enforce her Bolshevik-styled [lockdown](#) . . . that 16-year-old Spencer William Smith had connected in the suicide note as his [primary reason to take his own life.](#)

Dr. Fauci . . . It is clear . . . had the Smith family resided in Wuhan, China (!) . . . where the schools are open, and students enjoy normal social interactions, the probability of the suicide death of 16-year-old Spencer William Smith drops to zero... **THEE stark comparison.**

The Verisimilitude of Dr. Anthony Fauci and His “Surprise Outbreak”

On the very first page of my letter to you of 21 July 2020, I displayed the following:

“There will be a challenge (for) the coming Administration in the arena of infectious diseases, both chronic infectious diseases in the sense of already ongoing disease, and we have certainly a large burden of that, but also there will be a surprise outbreak.”

(Please confer with Mr. Fauci for the exact date, approx January 2017.)

It is unimaginable what would have happened to American health had your heart-throb been elected in November 2016; your candidate “H” that you sent confidential “love” emails to during her role as Secretary of State under Barack Obama:

In truth, **the Trump win in 2016 merely postponed your plans for our health**, as demonstrated by your distressed verisimilitude, mere moments before his inauguration in January 2017.

The Verisimilitude of Dr. Anthony Fauci and His “Surprise Outbreak” – [con't](#)

It was the “coming Administration” that you were determined to remove from office, hence postponement of your [“surprise outbreak”](#) until December 2019 via the “China virus,” a virus that was created in the Wuhan lab that you illegally funded while under Barack Obama.

In 21 July 2020 I quote your 27 May 2020 promotional video with *Politico*. **In that interview you essentially confirm that the “surprise outbreak” was anything but!** A screenshot:

21 July 2020

Dr. Anthony S. Fauci
Page 8 of 36

But then, without prompting by Politico, you began promoting vaccines:

“ When we first developed a vaccine, I said it would be about a year to a year-an-a-half, and that was in January.¹ So a year from January is December. I still think that we have a good chance, if all the things fall in the right place, that we might have a vaccine that would be deployable by the end of the year, by November or December.”

I was then compelled to inquire about the obvious, at-bottom of Page 8, Footnote 1, screenshot:

¹ **January?!** Given how little was known about SARS-CoV-2, due to censorship (by the Wuhan Laboratory and those associated with it), it is astounding that you were already “*develop(ing) a vaccine.*” In this context please review the screenshot on Page 1 above, and Question 1 above.

Regarding an interconnection, shortly after receipt of my 21 July 2020 letter, you were celebrated as central to [the pre-planned procedural effects](#) that your “surprise outbreak” was having on the American 2020 presidential election: **+++**

The Verisimilitude of Dr. Anthony Fauci and His “Surprise Outbreak” – [Conclusion](#)

The Verisimilitude of Governor Janet Mills – Her Crime of Child Abuse

The legislature of Maine oversees, under the Year 2013 Arraignment of the Maine State Constitution, **laws to protect the children of Maine from ‘child abuse.’**

Title 22, Subtitle 3, Part 3, Chapter 1071 is entitled: Child and Family Services and Child Protection Act. Subchapter 1, [Section 4002](#) provides definitions:

Paragraph 1 is entitled: Abuse or neglect.

Abuse or neglect means a threat to a child's health or welfare by physical, mental or emotional injury or impairment, sexual abuse or exploitation including under . . . deprivation of essential needs or lack of protection from these or failure to ensure compliance with school attendance requirements . . . by a person responsible for the child.

Paragraph 1C is entitled: Best interest of the child.

Paragraph 2 is entitled Child:

Child means any person who is less than 18 years of age.

Paragraph 5 is entitled: Custodian.

Custodian means the person who has legal custody and power over the person of a child.

These are a few of the relevant portions of the Maine Statute on Child Abuse. We therefore ask:

Is there any doubt that 16-year-old Spencer William Smith was a child? Is there any doubt that Dr. Anthony Fauci and Governor Janet Mills were in-effect custodians, and in that context exacted their “power over the person of a child” ? Is there any doubt that the ‘Best Interest’ of Spencer was severely neglected by Dr. Fauci and Governor Mills ? Is there any doubt that Dr. Fauci and Governor Mills consciously failed “to ensure compliance with school attendance requirements” ? (see quote Page 20 of 21 below).

It is not a “conspiracy theory” that this emerging breed of self-absorbed, Marxist-styled, “public servants” increasingly seek to take control; to be custodians of every aspect of our lives, **most especially the lives, education, upbringing, and of-late the health of our children.** They claim to ‘know best,’ while enforcing orders that range from restaurant closures in Bethel, Maine, to high school lockdowns in Brunswick, Maine.

Their standard diatribe is that anyone that questions their blatant incompetent takeover is just a “racist,” or “a Trump supporter,” or a “white supremacist,” etc. Such amounts to adolescent diversions, worthy of only pity.

I accuse Maine Governor Janet Mills of both Gross Criminal Negligence and ‘Child Abuse,’ connectable to the lockdown-premised suicide death of a 16-year-old child, Spencer William Smith.

The Coming Deaths / Suicides Connected to Mandatory COVID-19 Vaccinations

We emphasize that it was **the person featured at-left** that effectively chaperoned through Congress broad-sweeping protections for Big Pharma against liability connected to the obvious and well-known, long-standing dangers of vaccination in-general, COVID-19 vaccination in-particular. **\$\$\$\$**

In Attachment 1, page 9, I discussed the COVID-19 vaccinations of students as a pre-condition to admission to Cornell University. Do we need to spell-out that [Cornell lawyers and current administrators](#) are thankful to you, Dr. Fauci, for your conspiratorial chaperoning of the Big Pharma liability protection laws . . . laws that subvert even the legal protections of front-line nurses that collapse mere seconds after injection of the COVID-19 vaccine?

\$\$\$\$ Clearly, although you ignored Attachment 2, [the answer to my 'Page 3, Question 1'](#) is a resounding **YES!**

“The Truth is” . . . Regarding the Foreseeable and Avoidable Death of a Child

You remained silent during the devastation inflicted upon the vulnerable, frequently helpless tenets of [nursing homes](#); instead of speaking out with the conviction and competence of the medical profession, you remained complicit with the two psychopaths currently destroying New York:

That silence exposed your claim of “*speaking the truth at all times*” as no more than a self-effacing sham. **But your silence is equally deafening regarding [the suicide deaths of our children](#)** under your “gold standard” and lockdown and upcoming “mandatory vaccine” stunts.

In a criminal trial of Dr. Anthony Fauci, Governor Janet Mills, et al., I recommend, as **the first prosecution witness**, Dr. Robert Redfield. On 19 November, with the Director of NIAID present, Dr. Redfield declared at a [White House press conference](#) of the Coronavirus Task Force :

“ The truth is, for kids K through 12, one of the safest places they can be from our perspective is to remain in school. ”

But that truth, known to the Swamp for many months, was too late for celebration of the Thanksgiving and Christmas holidays . . . especially for a family in Brunswick, Maine.

“The Truth is” . . . Regarding the Foreseeable and Avoidable Death of a Child - Conclusion

An open trial would expose your incompetence and inaccuracy, relating to everything from the **counterproductive** lockdowns and facemasks, to **the non-necessity of your “vaccines.”** At trial [Dr. Harvey Risch](#) and [Dr. Pierre Kory](#) could testify on the prophylactic dispensing of re-purposed drugs ranging from hydroxychloroquine to ivermectin. I suggest calling [Dr. Simone Gold](#), [Professor Hendrick Streeck](#), [Dr. Sucharit Bhakdi](#), [Dr. James Lyons-Weiler](#) and [Professor Denis Rancourt](#).

Regarding your ongoing fraud, claiming a **necessity** of your “vaccines” for a ‘return to normal,’ we would call [First Lady](#) Melania Trump, President [Donald Trump](#), and 14-year-old Mr. Barron Trump.

Regarding your affiliation with the Chinese Communist Party, relating to your claims that “SARS-CoV-2” was [not created in a lab](#), I would initially call [Dr. Li-Meng Yan](#).^{*****} Regarding your participation in the true purpose of the lockdowns, I would enter-into-evidence [the Bilderman Report](#), presented to the New York Academy of Medicine on November 13, 1956.

I am confident that a ‘jury of peers’ selected from [the good citizens of Maine](#) would reach their verdict [based upon the evidence](#), **not** the agenda of vested interests, the Great Reset, etc.

Conclusion

Given the subject . . . Only a charlatan and a fraudster would declare that “*speaking the truth at all times*” is related to television, but then use those **syndicated** appearances to deliver **the most grotesque, self-serving outbursts in modern medical history:**

Fauci tells kids not to worry, he gave Santa Claus the Covid-19 vaccine

The world's most famed gift-giver will be safe to travel on Christmas Eve after a house call from Dr. Anthony Fauci.

You gave no consideration to the effect such vileness would have on the Smith family . . .

On the basis of the above discussions, and upon the declaration made by Dr. Robert Redfield, I hereby accuse you (and others) of Gross Criminal Negligence, which is directly connectable to the suicide death of 16-year-old Spencer William Smith. I hereby extend that same charge and add the charge of ‘Child Abuse’ to Governor Janet Mills of Maine.

Truly,

Paul V. Sheridan

Mrs. Jummai Nache and devoted husband Philip; learning how to walk stairs on prosthetic limbs. Amputation of her limbs **caused by modRNA injection mandated by her former employer**, the University of Minnesota (UMinn).

A non-smoker, a non-drinker, a "*model of health*" **prior** to Pfizer needle; amputations in pictorial review above caused by modRNA-induced venous and arterial thromboembolism; not merely foreseeable but a known "*mRNA*" danger as discussed in-detail at the secret FDA meeting of 22 October 2020, which occurred **prior** to their Emergency Use Authorization (EUA) on 11 December 2020. The EUA allowed Pfizer, hospital administrators, university officials, medical doctors, clinicians, nurses, et al. to inject the modRNA poison under the secretive protections of **LIABILITY IMMUNITY**.
