Subject 1 : Senate Homeland Security and Governmental Affairs Committee :
Request for Testimony of Mrs. Jummai Nache and Pastor Philip Nache

Subject 2 : **Revocation of LIABILITY IMMUNITY –**
Retroactive to FDA EUA of 11 December 2020 (Pfizer Inc.)

Reference : Senate Homeland Security and Governmental Affairs Committee – 22 July 2025 :
Testimony of Dr. Robert Sullivan, et al.

Dear Senator Johnson :

Similar to the witnesses that testified at the Reference, Mrs. Jummai Nache and Pastor Philip Nache are not Wisconsin constituents. We watched with great regard, Dr. Robert Sullivan :

However, a blaring historical fact emerges from the Reference :

The modRNA injuries described at the Reference **ALL post-date** the horror coerced upon a University of Minnesota (UMinn) Medical Assistant who was never informed of two crucial facts :

1. The needle that UMinn coerced into her 'model of health' body was **not** a vaccine; but instead was an experimental modified RNA (self-amplifying RNA) technology, that Bayer Pharmaceuticals CEO, Dr. Stefan Oelrich characterized as, **"the leap."**

*"To tackle issues beyond COVID-19, we've seen vaccines as the perfect example . . . **We are taking the leap in selling gene therapy.** Ultimately the mRNA vaccines are an example for that. I always like to say if we had taken a survey two years ago, **in the public**, 'Would you be willing to take gene or cell therapy; and get it injected into your body?' **We would have probably had a ninety-five per cent refusal rate!**"*

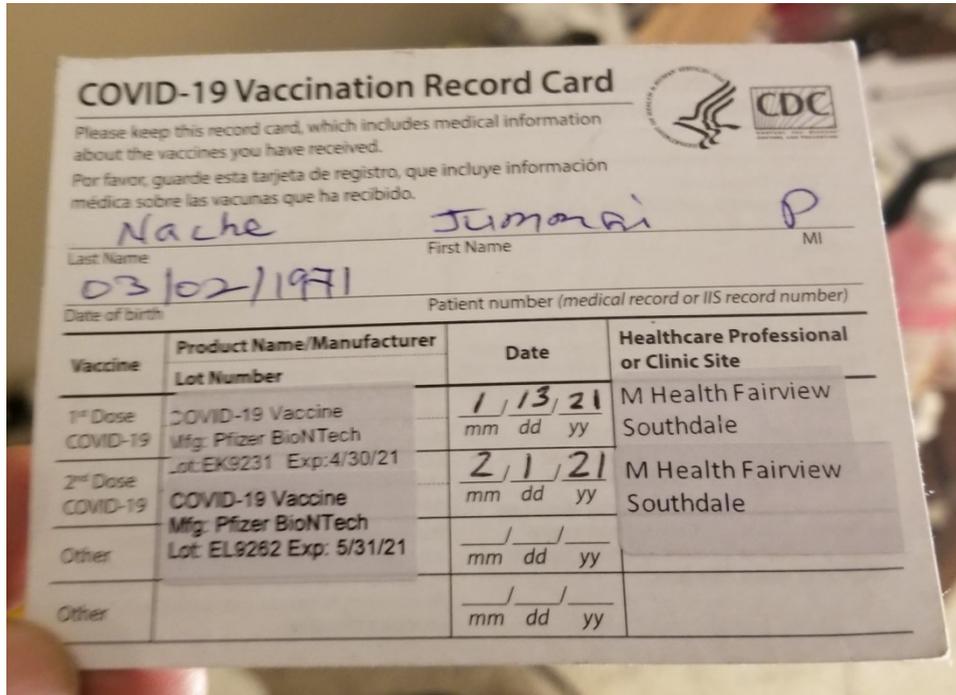

"The leap"? "Ninety-five per cent refusal rate"! Informed consent?

2. At no time did the UMinn "health authorities" inform Mrs. Jummai Nache, an immigrant from Nigeria, that the Pfizer needle they claimed was "safe & effective" was so dangerous that it was **shielded by the PREP Act scourge of LIABILITY IMMUNITY.**

From his testimony, the "vaccine" injury inflicted upon Dr. Sullivan occurred in November 2021 (Wall Street Journal, *This Doctor Elevated His Yoga Practice—20 Feet Off the Ground*, is dated 28 November 2021) . . . **many months after the amputations inflicted on Mrs. Nache.**

Had the modRNA horror inflicted upon Mrs. Nache *not* been censored (by everyone from UMinn "health authorities" to social media czar Ms. Susan Wojcicki CEO of YouTube), **the Dr. Sullivan modRNA injury, and so many others, would have been circumvented.**

The following is the Pfizer/CDC “vaccination” card that UMinn “health authorities” declared was required if Mrs. Jummai Nache was not to be dismissed from years of her dedicated service as one of their Medical Assistants :

The following is a sample photograph of Mrs. Nache trying to regain consciousness after her modRNA induced venous/arterial thromboembolisms (“blood clots”), which required life-saving amputation of both her legs and her left hand :

Embalmers Sound the Alarm at Recent Tennessee Funeral Directors Meeting

by **Bill Heid** in What They Don't Want You To Know

A Shocking “Clot Discovery” Behind Closed Doors

On June 8, 2025, a quiet but historic moment unfolded in Franklin, Tennessee, at the annual convention of the Tennessee Funeral Directors Association. What seemed like just another gathering of embalmers and funeral professionals became the setting for a remarkable shift in awareness.

Conclusion

The PREP Act lists “willful misconduct” as sufficient, as the minimum needed for revocation of the EUA-premised BigPharma farce called **LIABILITY IMMUNITY**. During your summary remarks after the Dr. Sullivan modRNA injury testimony, you stated :

“So they knew all of this! They knew this. And yet they lied to us. They rolled this out. \$\$Billions were made. They called it ‘safe & effective.’ They mandated it. And they knew this.”

During his modRNA injury testimony, Dr. Sullivan described “researchers.” The only research he needed was a few pages from the UMinn medical report of Mrs. Jummai Nache; such as :

Procedure	Laterality	Date
<ul style="list-style-type: none"> • AMPUTATE HAND <i>Procedure: Amputation left hand, amputation right index, middle, ring fingers; Surgeon: Forseth, Michael John, MD; Location: UR OR</i> 	Bilateral	7/20/2021
<ul style="list-style-type: none"> • AMPUTATE LEG BELOW KNEE BILATERAL <i>Procedure: AMPUTATION, BELOW KNEE, BILATERAL; Surgeon: Duke, Julie M, MD; Location: UU OR</i> 	Bilateral	6/21/2021

Enclosed, a photo history of modRNA injury progression, compiled by Pastor Nache and myself:

Please consider the testimony of Mrs. Jummai Nache and Pastor Philip Nache.

Please feel free to contact Mrs. Nache directly (502-379-5428). Please contact me at any time.

Respectfully yours,

Paul V. Sheridan
