**Dear Mr. Musk :**

**Demand 1 :** The undersigned implicitly endorses your assistance with DOGE. However, to fulfill its mission, Demand 1 must be undertaken. Waste? Fraud? Abuse?! **At NIH?! The FDA?!**

**Demand 2 : President Donald Trump Executive Order –  
Voiding of LIABILITY IMMUNITY for the COVID-19 “vaccine”  
Retroactive to 11 December 2020**

As President Trump and Dr. Bhattacharya are aware, Pfizer *‘walked away’* from the most profitable of “vaccine” markets, the great nation of India. **Pfizer scurried into the shadows when Prime Minister Narendra Modi refused to grant the racketeers of BigPharma the absurdity of LIABILITY IMMUNITY.** The modRNA “vaccine” is so dangerous, that litigation would reveal *that* truth, and the reality of criminal conduct. Unable to hide behind LIABILITY IMMUNITY, the risks were too high, and would have decimated Pfizer’s existing and future markets. 1.4 billion “customers” in India! But Pfizer scurried. **Let that sink in!**

LIABILITY IMMUNITY? For perspective, a legal juxta-positioning to Tesla, Inc . . . the horrific fire-death of 31-year-old Ms. Monica Hyun Mi Suh. In the prime of her life, she is trapped in the front passenger seat of a **burning 2024 Tesla Model X** :

**Mr. Musk** . . . this foreseeable accident, part of the OSI data base, occurred on 12 April 2023 at Sunset Boulevard in Los Angeles, California. The funeral was closed-coffin.

The plaintiff attorney has contacted me in this matter. If retained, I am 100% confident that my expertise will not be deployed to overcome a Tesla defense argument of :

**LIABILITY IMMUNITY.**

**LIABILITY IMMUNITY is the brainchild of BigPharma bagman Mr. Anthony Fauci.** We now review a very recent application of this unconstitutional ruse, applied to severe injury litigation, **where the BigPharma defendant openly admits wrong-doing!** Right here in “Motor City.”

**Demand 2 : President Donald Trump Executive Order –  
Voiding of LIABILITY IMMUNITY for the COVID-19 “vaccine”  
Retroactive to 11 December 2020**

*con't*

In Michigan, once the auto capitol of the world . . . Mr. Dan Nowacki a victim of the COVID-19 “pandemic.” He avoided the Michigan-based Pfizer modRNA “vaccine.” But Dan is awakened to a post amputation horror which resulted from injection of a high-profit drug, **promoted by Fauci as a “covered countermeasure.”** That PREP Act ruse is used to ensure LIABILITY IMMUNITY, in this instance, for the poisonous Gilead Sciences quackery called Remdesivir :

**The totality of the Gilead defense to the Nowacki lawsuit? LIABILITY IMMUNITY.**

The trial court dismissed that ruse. Gilead then removed matters from the factual and medical, to the high-priced stench of the political realm; where Fauci practices as “America’s Doctor.” The 8 April 2025 ruling by the *nugatorius* State of Michigan Court of Appeals :

Additionally, as Gilead pointed out in the federal district court, “Congress’s explicit extension of PREP Act immunity to claims involving a covered countermeasure’s ‘manufacture’ would be rendered meaningless if, as Plaintiffs suggest, the presence of a manufacturing defect prevented a product from being a covered countermeasure in the first place.” *Nowacki*, unpub order at 19. To accept plaintiffs’ argument and conclude that manufacturing defects prevent products from being considered “covered countermeasures” under the PREP Act, we would necessarily have to render some of the language of the PREP Act nugatory, in violation of our principles of statutory interpretation. *Esurance Prop & Cas Co*, 507 Mich at 508-509. We decline to do so here.

**Demand 2 : President Donald Trump Executive Order –  
Voiding of LIABILITY IMMUNITY for the COVID-19 “vaccine”  
Retroactive to 11 December 2020**

*Conclusion*

“Statutory interpretation”!? How does a integrated person interpret the following? Entered at the trial level in Nowacki, the aforementioned admission of wrongdoing :

RE: Administration of Recalled Remdesivir to Mr. Daniel Nowacki

Dear Mr. Mark Nowacki,

Thank you for your inquiry regarding whether or not your father, Mr. Daniel Nowacki received any of the drug Remdesivir which is subject to the manufacturer Gilead’s voluntary recall. We apologize for the delay in responding as we had to research this further in order to verify the information. Our records indicate Mr. Daniel Nowacki was in the hospital between November 10, 2021 and November 24, 2021 and did receive the medication that is subject to the recall. The recall announcement was dated December 3, 2021 and when Mr. Daniel Nowacki was given Remdesivir we were not yet aware of the recall.

Two of the five doses in the course of treatment received by Mr. Daniel Nowacki involved the recalled lot #'s. Those doses were administered on November 10<sup>th</sup>, 2021 (lot #2141001-1a) and November 11<sup>th</sup>, 2021 (lot #2141001-1a). The other doses with corresponding lot #'s were as follows; November 12<sup>th</sup>, 2021 (lot #27015BFA), November 13<sup>th</sup>, 2021 (lot #27015BFA) and November 14<sup>th</sup>, 2021 (lot #27015BFA).

If you have any questions regarding health concerns, we recommend you follow up with your primary care provider. Additionally, we are including Gilead’s recall announcement for your information.

In contrast to the auto business, **or any other business**, no matter how *willful* their *misconduct*, no matter how criminal their behavior, BigPharma has been shielded by **LIABILITY IMMUNITY**; complements of the servile cowards of the US House and US Senate . . . and Mr. Fauci.

Regarding the juxta-positioning (**Suh versus Tesla**, Page 2 above), Tesla lawyers cannot rely on an equivalent California appeals court ruse of **LIABILITY IMMUNITY**:

**I hereby demand that President Donald Trump issue an Executive Order that revokes LIABILITY IMMUNITY for Pfizer Inc, retroactive to the EUA date of 11 December 2020.**

**Reference 1 : My Letter of 24 September 2024 to the Violence Promoting Psychopath, Minnesota Governor Tim Walz**

Anyone who condones violence, especially for personal or gain, is a psychopath. When such violence is deployed for political gain, the culprit is the cannon fodder of ponerology.

However . . . Mr. Musk . . . you would be gravely mistaken to presume that the violence against you, your company and your customers; promoted by the psychopath Governor Tim Walz . . .

. . . was the first time he did so . . . not even close. Her name is Mrs. Jummai Nache.

Reference 1 Tab 1 presents the violence that Governor Walz and the University of Minnesota inflicted upon a former UMinn Medical Assistant; Mrs. Jummai Nache :

**Mr. Musk, I hereby implore you to review Reference 1, Tab 1.  
Take a good loooooong look.**

The Attorney General of Minnesota is Mr. Keith Ellison. He enforced Reference 1 Tab 1. Of all patriots, you will especially appreciate **the obvious connection between Mr. George Soros, his AG lackey Mr. Keith Ellison, his vice presidential candidate Mr. Tim Walz . . . and their horrific modRNA “vaccine” violence inflicted upon Mrs. Jummai Nache.**

Despite several follow-up telephone calls, Mr. Walz refuses to respond to Reference 1.

**Next, overleaf begins review of Reference 1. Its Page 13 displays the funding source of the Keith Ellison / Tim Walz political whoredom :**

Of all the globalist sleaze that are despised for their international crimes, especially crime promotion and election meddling in the United States, none are more notorious than Mr. George Soros.

## Soft-on-crime Soros family gave max donations to Keith Ellison

Soros has spent tens of millions to help elect dozens of prosecutors in major U.S. cities, many of whom take a soft-on-crime approach.

Since 2018 two prominent members of the Soros family have donated thousands of dollars to help Keith Ellison become or remain Minnesota’s attorney general.

**Reference 1 : My Letter of 24 September 2024 to the Violence Promoting Psychopath, Minnesota Governor Tim Walz** *Conclusion*

The violence inflicted upon Mrs. Nache *is* connectable to the New World Order “globalist” Mr. George Soros; Keith Ellison and Tim Walz are mere lackeys. But the Soros connectability is preambled by the anti-West, de-populationist, Jesus-hating ponerological psychopath Mr. Klaus Schwab . . . and his lackey at Pfizer Inc.

It is well known that Mr. Soros is a close brethren friend with two key participants of the COVID-19 Crime Syndicate : (1) Mr. Klaus Schwab, *former* head of the Bolshevik-styled World Economic Forum and pre-pandemic author of an exploitive “vaccine” guide book :

. . . and (2) the Klaus Schwab lackey at Pfizer; its CEO, Mr. Albert Bourla :

Next, Reference 2 exposes the COVID-19 racketeer Mr. Bourla in the context of his *participatory status*, and his criminal in-your-face celebration of **LIABILITY IMMUNITY**.

**Reference 2 : My Letter of 20 March 2025 to Missouri Attorney General  
Mr. Andrew Bailey**

Reference 2 obliterates the promoted notions of “vaccine” expediency, ignorantly promoted by President Trump as **Operation Warp Speed**. (Expediency was the farce promoted by Dr. Robert Kadlec, a farce later exposed by Cornell Professor Cynthia Leifer, Page 9 below.)

In early 2020, my knowledge of Mr. Fauci and our alma mater (Cornell University); anticipated the true purpose of his “**surprise outbreak**,” In this context I stated a reality that is difficult for the uninitiated to comprehend . . . or believe. Increasingly documented, please see Page 26 of Reference 2 where I **reiterated the stark reality** :

**The “vaccine” was not created in reaction to the so-called COVID-19 virus, but the exact opposite; the SARS-CoV-2 virus was created for the marketability of the decades-old modRNA technology.**

In an anti-Trump, modRNA promotional with Deep State sleaze Politico, Mr. Fauci **reveals that the “vaccine” had already been in trials in January 2020** . . .

***“When we first developed a vaccine, I said it would be about a year to a year-an-a-half, and that was in January. So a year from January is December. I still think that we have a good chance, if all the things fall in the right place, that we might have a vaccine that would be deployable by the end of the year, by November or December.”***

**Trials in January 2020 . . . later documented by Pfizer in the European Union! For a pathogen that was marketed by the NIH as “novel” ? With a U.S. GoF moratorium in place, Fauci had to deploy an elaborate go-around with his pal Peter Daszak, and the Wuhan Laboratory of Virology. SARS-CoV-2?!**

Reference 2 : **My Letter of 20 March 2025 to Missouri Attorney General  
Mr. Andrew Bailey** *con't*

From Page 25 of Reference 2 . . . April 11 2021 at Cornell University, a Pfizer sales rep,  
a modRNA “vaccine” vested interest, brethren to Mr. Albert Bourla; Professor Cynthia Leifer :

Ms. Leifer fraudulently promotes the term “vaccine” as she responds :

***“What you need to know is that scientists have been working on these coronavirus vaccines for decades. We learned a lot about coronaviruses from our experience with SARS.\* And so we used that information to make these vaccines as well.”*** ( \* e.g. SARS-CoV-1 in 2003 )

Six months later, her friend Pfizer CEO Mr. Albert Bourla threatens and berates the world :

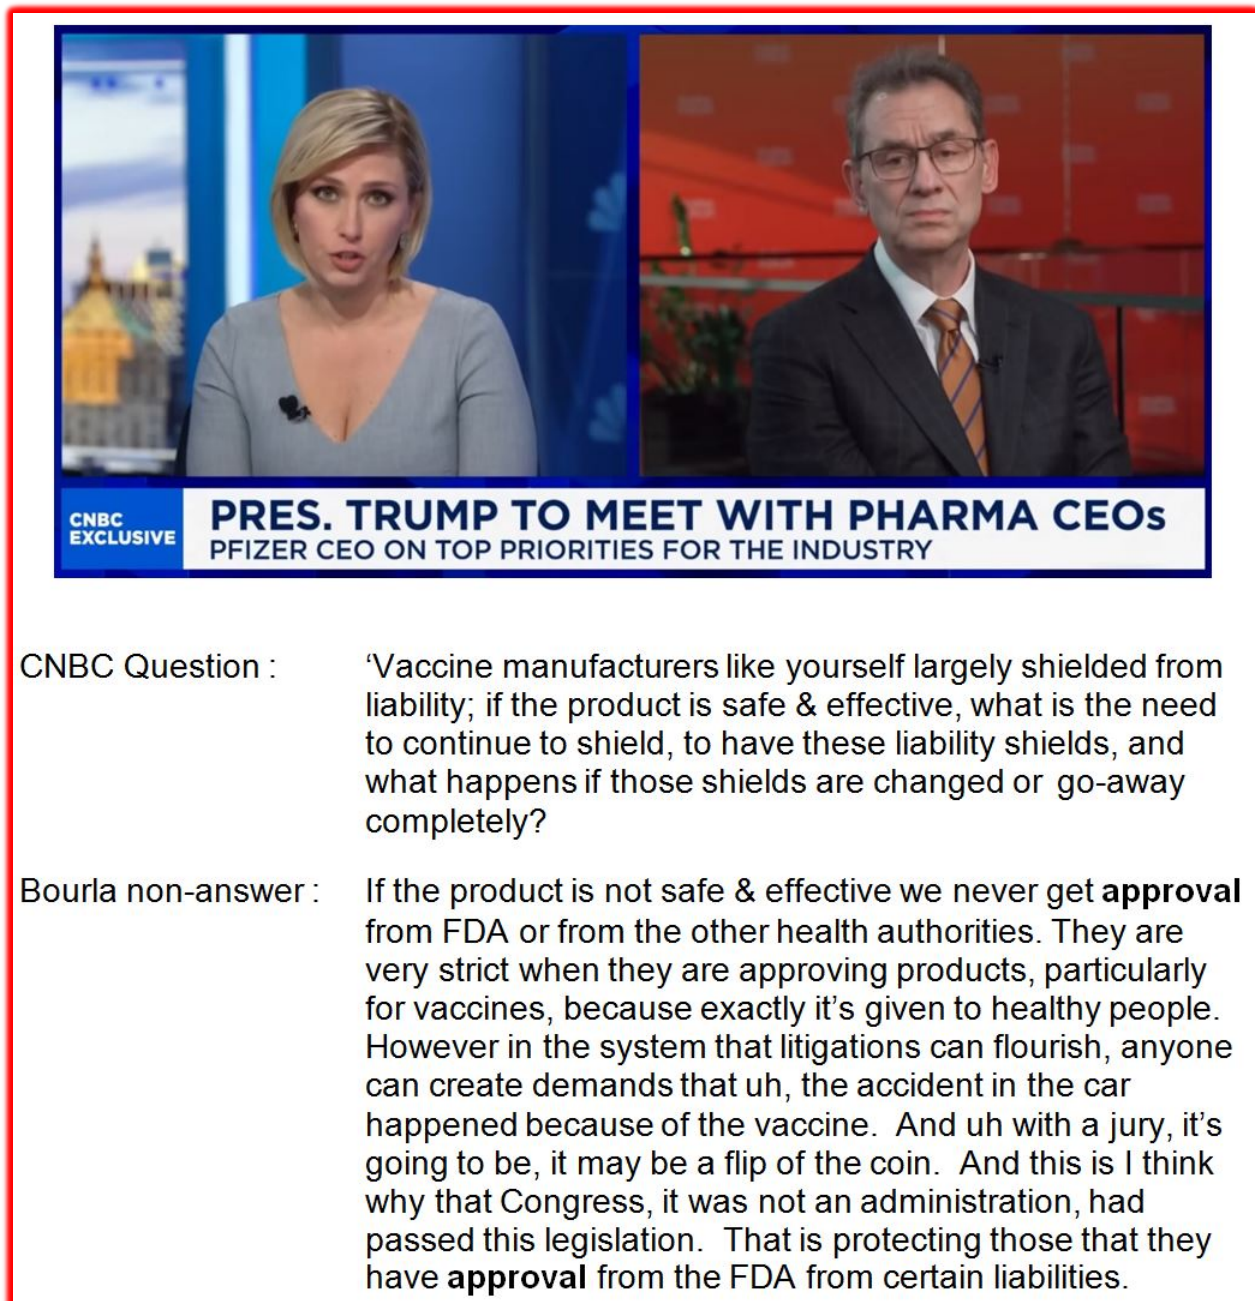

Reference 2 : **My Letter of 20 March 2025 to Missouri Attorney General  
Mr. Andrew Bailey**

*Conclusion*

We conclude Reference 2 review with its Page 4. On February 18 2025 the Pfizer CEO is asked a simple question about his legal primacy; **LIABILITY IMMUNITY** :

CNBC Question : 'Vaccine manufacturers like yourself largely shielded from liability; if the product is safe & effective, what is the need to continue to shield, to have these liability shields, and what happens if those shields are changed or go-away completely?

Bourla non-answer : If the product is not safe & effective we never get **approval** from FDA or from the other health authorities. They are very strict when they are approving products, particularly for vaccines, because exactly it's given to healthy people. However in the system that litigations can flourish, anyone can create demands that uh, the accident in the car happened because of the vaccine. And uh with a jury, it's going to be, it may be a flip of the coin. And this is I think why that Congress, it was not an administration, had passed this legislation. That is protecting those that they have **approval** from the FDA from certain liabilities.

*"Not an administration" !?* Pfizer was directly involved in the last minute ploys of the Biden Administration. The crux ? **Extending LIABILITY IMMUNITY to December 2029.**

(PLEASE SEE AT-BOTTOM OF PAGE 2, AND A-TOP OF PAGE 3, OF REFERENCE 2.)

## Upcoming :        **Revocation of the Cornell University Medical Degree of Mr. Anthony Fauci**

In addition to extending LIABILITY IMMUNITY, another last-minute Pfizer involvement with the “administration” : **The pre-emptive pardon of the criminal Mr. Anthony Fauci.**

The Biden Executive Order of 19 January 2025 . . . **auto-penned (?) minutes prior to the inauguration of President Trump** . . . the order pardoned Cornell Medical School graduate Mr. Fauci . . . make no-mistake about this . . . given the criminal evidence already in the public domain . . . the pardon was germinated by the paranoia of BigPharma defense lawyers, **Pfizer attorney, Cornell Law School graduate Mr. Doug Lankler in-particular.**

Thanks to Ms. Rachel Rodriguez (Vires Law), we offer **legal insight** into what the layperson assumes : **Pre-emptive Pardon = Guilt, Acceptance of Pardon = Admission of Guilt.**

In *Burdick v. United States*, the US Supreme Court ruling of 1915 states :

**“The facts, which involve the effect of a pardon of the President of the United States tendered to one who has not been convicted of a crime nor admitted the commission thereof, and also the necessity of acceptance of a pardon in order to make it effective, are stated in the opinion . . .**

**The latter (a presidential pardon) carries an imputation of guilt; acceptance, a confession of it (guilt).”** *(underline added)*

**The legal insight : Did Mr. Fauci accept the pardon?**

**Upcoming :**      **Revocation of the Cornell University Medical Degree of  
Mr. Anthony Fauci**      *con't*

Afflicted by mental midgetry, Mr. Fauci is compelled to self-contradiction and self-incrimination. Not only did he accept the pardon, he *gushed* about it :

*"I really truly appreciate the action President Biden has taken today on my behalf. Let me be perfectly clear, Jon, I have committed no crime, you know that, and there are no possible grounds for any allegation or threat of criminal investigation or prosecution of me."*      (Mr. Fauci live with ABC News propagandist Jonathan Karl.)

Upcoming :      **Revocation of the Cornell University Medical Degree of  
Mr. Anthony Fauci** *con't*

*“He doesn’t have to accept the pardon. If he did nothing wrong, be a man and turn it down. But you know he won’t because everyone knows he’s guilty of so much.”*

**Donald Trump Jr.**

*“If there was ever any doubt as to who bears responsibility for the COVID pandemic, Biden’s pardon of Fauci forever seals the deal. As Chairman of the Senate Homeland Security and Governmental Affairs Committee I will not rest until the entire truth of the coverup is exposed.”*

**Senator Rand Paul (R-KY)**

**Upcoming :**      **Revocation of the Cornell University Medical Degree of  
Mr. Anthony Fauci**      *Conclusion Page 1 of 4*

We conclude this section by further contextualizing the propriety of your X post :

**I now introduce you to Mr. Michael Specter.** Specter is another, albeit low-level operative of the New World Order crime syndicate. Brethren to Klaus Schwab, George Soros, Albert Bourla, Cynthia Leifer, etc., Specter is an outspoken enemy of the nation-state and the US Constitution; he openly despises President Trump.

Specter was in shock after his New World Order candidate Hillary Clinton was disposed-of by the 2016 election of Donald Trump. **Immediately** after the inauguration (January 20 2017), Specter authored a preemptive attack :

Specter is an ally of the BigPharma bag man, Cornell Medical School graduate Mr. Fauci.

The Specter attack on President Trump *could* not end with *The New Yorker* hit piece, **hardly!** Much subversive work was needed if the re-election of President Trump was to be subverted in 2020. Therefore, future Specter attacks would necessarily involve **the backstabber Mr. Fauci.**

**Upcoming :**      **Revocation of the Cornell University Medical Degree of  
Mr. Anthony Fauci**      *Conclusion Page 2 of 4*

The election of Donald Trump in 2016 **utterly devastated** the New World Order plans; originally schemed to coddle the ignorance, spiritual depravity, and political servility of Ms. Hillary Clinton.

On October 29 2019, Fauci was a speaker in New York, at a farce called *The Future of Health*. Held at the Milken Institute, a short walk to Pfizer headquarters, it was here that the postponed globalists' plan for a vaccine promoting, election subverting "pandemic" was **re-announced** :

***"An entity of excitement . . . an outbreak of a novel avian virus could occur in China somewhere."***      HHS Director Dr. Rick Bright

The moderator for this pandemic now-or-never, Get-Rid-of-Trump event? Mr. Michael Specter :

Having declared his opposition to vaccine mandates, Specter and Fauci were compelled to coordinate a last-minute hit piece on President Trump. In early October 2020, Specter pushed the audio book **"Fauci"** . . . a direct quote from Mr. Fauci, the BigPharma bag man :

***"Once people feel empowered and **protected legally**, you will gonna have schools, universities, and colleges are gonna say, 'You wanna come to this college buddy? You're gonna get vaccinated. Lady, you're gonna get vaccinated.'***

***Big corporations like Amazon, and Facebook, and and and all of those others are gonna say, 'You wanna work for us, you get vaccinated.'***  
***And it's been proven that when you make it difficult for people, in their lives, they lose their IDEOLOGICAL BULLSHIT, and they get vaccinated!"*** <sic>

**Upcoming :**      **Revocation of the Cornell University Medical Degree of  
Mr. Anthony Fauci**      *Conclusion Page 3 of 4*

**“Protected legally”?**

**“Schools, universities, and colleges”?**

**“Make it difficult for people, in their lives”?!**

**“Ideological bullshit”?!**

*Certainly* our esteemed institutions of higher learning (Big Academia) would not embrace, let alone invite into their realm, an alleged medical doctor that :

Deploys hidden legal shielding to protect from litigation an experimental gene therapy that is marketed to the trusting public and policy makers as a “vaccine”

Openly promotes coercive deceit

Gleefully threatens physical, social, and economic violence

Brutalizes anyone (that question him) as being embroiled in **“ideological bullshit”**

Not only has Big Academia embraced such a vile person, they have done so *repeatedly*. A very recent but typical University of Minnesota gala :

**Upcoming :**      **Revocation of the Cornell University Medical Degree of  
Mr. Anthony Fauci**      *Conclusion Page 4 of 4*

In the Addendum I introduce you to Mrs. Jummai Nache . . . and what the University of Minnesota (UMinn) inflicted upon her . . . **while covering behind LIABILITY IMMUNITY.** The top administrator at UMinn at the time of these COVID-19 crimes was Ms. Joan Gabel :

-----

In essence, Joe ‘AutoPen’ Biden was given the equivalent of a pardon by brethren to BigPharma, former US Attorney General Merrick Garland. The Garland ruse was that Biden was too feeble to face prosecution . . . despite the fact that Biden very recently resurfaced.

In contrast, given the Big Academia galas he enjoys, the criminal Mr. Anthony Fauci is not feeble; he is demonstrably physically able to stand trial and enjoy imprisonment.

Thank you for your tweet of December 11 2022. On that date, two years earlier, the Pfizer EUA was announced. My alma mater began fully embracing Fauci “guidance.” An insidious tactic of their “vaccine” mandate, Cornell administrators actively avoided informing staff, faculty and students about **LIABILITY IMMUNITY**. The Cornell administration did however threaten dismissal or expulsion for any that expressed **“ideological bullshit.”**

**Reference 2 Tab 6: My Fauci medical degree revocation demand letter of November 27 2023, sent to Cornell Board of Trustees Chairman, Mr. Kraig Kayser.**

### Urgent Perspective Revisions Needed in the COVID-19 Viewpoint of President Donald Trump

Interviewed *just prior* to the COVID-19-based election meddling of November 3 2020 :

Finally rejecting that inheritance, President Trump recently uploaded the following webpage :

## INTERMISSION

### Urgent Perspective Revisions Needed in the COVID-19 Viewpoint of President Donald Trump

Page 2 of 2

The three urgent revisions :

- (1) With respect to Operation Warp Speed:

**The “vaccine” was not created in reaction to the so-called COVID-19 virus, but the exact opposite; the SARS-CoV-2 virus was created for the marketability of the decades-old modRNA technology.**

- (2) Given the overwhelming verbal and documented evidence, and given (1) above, it is not likely that the virus was “leaked.” It was intentionally released.

- (3) In order to exact full and true justice, and not thwart my efforts to have the Cornell University medical degree of Mr. Anthony Fauci revoked:

**President Trump must stop referring to the GoF contracted Wuhan product 2019-nCoV (later marketed by BigPharma and Big Academia as SARS-CoV-2) as “*the China virus.*”**

A more accurate, more truthful label, that I have formally proposed *many* times :

## Conclusion

**Demand 1** must be implemented immediately.

The Department of Government Efficiency (DOGE) must commence a detailed analysis/review of the National Institutes of Health, where Mr. Anthony Fauci was employed for 54 years.

**Demand 2** must be executed immediately.

**President Trump must issue an Executive Order that revokes LIABILITY IMMUNITY, retroactive to the Pfizer Emergency Use Authorization (EUA) date of December 11 2020.**

As I explained four years ago, during my 2021 interview, there is more than enough evidence of **WILLFUL MISCONDUCT**, already in the public domain, that fulfills the PREP Act requirement for voiding **LIABILITY IMMUNITY**. Much of the evidence includes **CRIMINAL CONDUCT**.

The retroactive date of December 11 2020 is a minimum. We must not allow any modRNA death or severe injury victims to be overlooked. A minimum because many victims were part of the 2020 "vaccine trials," wherein participants were **not** informed that the modRNA-based injections were **not** a vaccine of the "**standard art definition.**" Mr. Anthony Fauci is **intimately familiar** with this misinformation misconduct.

Please contact me at any time.

Respectfully yours,

## **The Vested Interest Criminals of COVID-19 : The Slitherings of Big Academia Cornell University and the University of Minnesota**

I have long-emphasized these rodents; the COVID-19 vested interest criminals that have routinely slithered away from blame : **Big Academia**. And at several levels :

**If there is any identifiable group that has repeatedly but subtly declared themselves enemies of the US Constitution in-general, and openly declared themselves enemies of President Trump in-particular, it is Big Academia!**

On many prior occasions, I have stated/written :

**To have the world, they had to have the United States. To have the U.S., they had to have Cornell ! To have U.S. institutions submit to “vaccine” mandates, they had to have the White House !**

In April 21 2023 I wrote to the Ivy League Universities; their presidents, their medical college deans, and their law school deans. All received/signed-for my letter, entitled :

**DEMAND THAT IVY LEAGUE UNIVERSITY ADMINISTRATORS  
RESIGN IMMEDIATELY  
OVERWELMING AND ONGOING EVIDENCE OF YOUR  
“COVID-19 PANDEMIC” CRIMES AND CRIMINALITY**

In the Conclusion, on Page 11 of that letter, I stated:

**Of the many institutions embedded in the global COVID-19 crime syndicate, none are more insidious than Big Academia. Of the latter, none are more grotesque, and DIRECTLY culpable, than the Ivy League especially the current administrators of Cornell University :**

**If just one Ivy League University had unmasked the criminal character, purpose, and culprits of the so-called COVID-19 pandemic, that entire scheme would have collapsed; and millions of lives and livelihoods would have been spared . . . This is especially true if it had been my alma mater, Cornell University.**

-----

Rivaling Cornell in terms of blatant COVID-19 criminality is the University of Minnesota (UMinn). During the 2020/2021 timeframe when crimes were committed, under cover of the so-called

“COVID-19 pandemic,” **the UMinn president is Ms. Joan Gabel** . . . a brethren to Cornell administrator Ms. Martha Pollack, and to Pfizer CEO Mr. Albert Bourla.

That horror was the result of Gabel's modRNA employment mandate which included threats of dismissal against all UMinn personnel, staff, faculty, students, **and most importantly, former UMinn hospital employees such as medical assistants . . . like Mrs. Nache :**
